We are North Seattle Rage, a 501(c)3 non-profit travel softball team based in Shoreline, Washington. Our program focuses on building softball skills on the field, team bonding, and building girls' confidence. We rely on registration fees from the parents of the girls accepted to the team, as well as working with different sponsors to aid in the costs incurred for such a travel program.

These donations help give our girls the opportunity to thrive within a positive team environment. We work hard to keep our players fees as low as possible to allow all girls regardless of their financial background, the ability to play if they have the talent.

We have several sponsorship packages available as listed below. All contributions are tax deductible. Thank you for your support!

Base Hit Sponsor - \$250

- Business recognition on team banner. Banner will be displayed at all tournaments
- Recognition on team social media accounts

Double Sponsor - \$500
